SUBJECT: Change of Corporate Structure

With the changing conditions in the marketplace, InterGroup Services Corporation will be changing its corporate structure. The company operations, management team and market position will remain in place. Under the new corporate structure, our new company name will be InterGroup, LLC d/b/a InterGroup Services. Our new federal tax ID will change but everything else remains the same; attached is a current w-9 for your records. We believe that this new corporate structure will give us more flexibility to adjust to the new health care market place. This will not change our relationship or our contract terms. We look forward to growing with you into the future and will be happy to answer any questions.

Thank you for your continued support.
