InstaMed® Real-Time Claim Processing

with **InstaMed**
Claim Verification Services

InstaMed delivers real-time processing and pre-adjudication on every claim... so you can detect claim errors prior to submission.

In addition to immediate HIPAA Validation, edits and scrubbing on every claim, InstaMed Claim Verification Services provides: clinical scrubbing including LCDs, CCI and medical necessity; member eligibility verification; compliance monitoring; and the ability to implement custom rules.

InstaMed processes claims for all payers and accepts a variety of formats from your existing systems. InstaMed delivers real-time responses integrated into your workflow in addition to payer acknowledgments and status.

GETTING STARTED IS EASY:

- No system changes
- Clearinghouse changes are not required
- Easy setup

SIMPLE, CONVENIENT, RELIABLE & SECURE...
